ABOUT OUR PRICE LIST

PRICES: Prices are usually the same as in the 2025 Brookman Price Guide. They are generally in effect until late in 2025 although they are subject to possible change if conditions require.

AVAILABILITY: This price list is very comprehensive so that it can be used as a check-list or reference for current market prices. Not every stamp listed is in stock at any one time as our inventory is constantly changing and some more expensive items are special ordered when requested. However, the vast majority can be obtained within a week to 10 days from our many sources within the U.S. and abroad. We only charge your credit card when we ship your stamps and will refund your check or money order payment if we are unable to fill part of your order.

QUALITY: With the exception of earlier issues, most U.S. stamps are offered with your choice of Fine - Very Fine or Very Fine condition. On others, you can add the % indicated in the set title for Very Fine. For other grades, we refer you to the 2025 Brookman Price Guide.

LAYAWAY PLAN: We can usually offer a 3-payment layaway plan for larger purchases. This requires a down payment of one-third of the purchase price with an additional third in 30 days and the final third in 60 days. We then ship the item (s) on receipt of the final payment.

RETURN POLICY: Satisfaction guaranteed: return any item within 30 days of receipt for full refund of your purchase price. Please send copy of the original order form with the returned items.

NEWER ISSUES: Stamps issued after publication of this price list can be found on our website in our web version of the 2025 United States Price List.
