

SCANDINAVIA COLLECTION

We recently purchased a very comprehensive collection in a Scott Specialty album. The album stops in the 1950's and catalogs over \$67,000. The condition is quite exceptional and much better than you usually find in collections and would be difficult to replace for the asking price. Here is a rundown of what is included:

Denmark:	9903.45
Finland:	6750.00
Faroe Island:	1000.00 +

Norway:	8031.45
Sweden:	12075.70
Total:	67542.80 +

Price for the lot: \$24,950.00. Lay-a-way OK. I will entertain offers for individual countries. Please call (800) 782-6770 and ask for Michael for more details on the collection.
