

# United Kingdom Habitat Stamp Mini Sheets

In 1991, the UK began issuing Habitat Stamps (duck stamps). They were issued in sheets of six with a decorative border and a face value of £30

(about \$50). Due to an overstock situation, I can offer the 1991, 1992, 1993, 1994, 1996 and 1997 for a super price well below original issue price:

**\$20.00 per sheet. All 6 for \$100.00!**
