USED BLOCKS, BOOKLET PANES, SOUVENIR SHEETS, ETC.

In most cases, used blocks and other larger pieces are derived from first day covers and have not been postally used. When available, postally used pieces generally sell for two to three times the prices listed in this price list. Also, prices for modern used singles and multiples are for off or on paper as many are often difficult to remove from paper.

**Note; Information and prices on recent issues are tentative and subject to change.
