SPECIAL ONE-OF-A-KIND DISNEY COLLECTIBLES. DISNEY DOLLARS ON LIMITED EDITION SOUVENIR CARDS

The first Disney Dollars were issued at Disneyland on May 5, 1987, and at Walt Disney World's Epcot on Oct 2, 1987. A man named Thomas Lipari first made special cards and had them postmarked on the first day. Only a few were made and can be seen offered on Ebay for \$34,500 each. Cards with Disney dollars were then produced in very limited numbers (editions of 500, 200, 100 or 50) and supplied to special customers. They do not come on the market too often and when they do, they sell for several hundred dollars each. I have in my possession one of the finest collections ever put together. The collection consists of 94 different cards issued from 1987 to 1990. Retail is very high and it would be impossible to assemble a collection like this. **I have it priced for \$9500.**

I also have an album of Disney Dollars consisting of 21 uncirculated bills, three debut day cards (that are offered on Ebay for \$34,500), 24 additional special Disney dollar cards (including debut cards for the 1991 series). Ebay retail well into six figures. **This book available for \$15,000. Call for more info.**
