2010-2011 WINTER DUCK STAMP PRINT SALE - Expires 1/31/2011

Duck stamp prints have always made popular gifts. There is always a space on the wall in an office, den, rec. room or business whether you are buying one for a spouse, parent, child or for yourself. So many people have been selling me prints lately, that my back room is bursting at the seams. For this sale, I have decided to try and reduce inventory by offering you a price that you can't resist. Prints will be in perfect mint condition in original folio (unless marked "nf") and **include a mint stamp** (unless marked with an *). These prices are lower than you can find on Ebay, and even those often times have flaws. Some of the prints are one only and other are available in large quantity. Images of most of these prints are on my website. Shipping is \$9.50 per U.S. address regardless of how many are ordered Give me a call to discuss your needs.
